

MICHIGAN SAFETY CONFERENCE MEMORIAL SCHOLARSHIP and MINORITY STUDENT EDUCATIONAL GRANT PROGRAM

I. NAME, MISSION, AND PURPOSE

- A. NAME:** The Michigan Safety Conference (MSC) Memorial Scholarship and Educational Grant Program.
- B. MISSION:** To inspire and promote academic excellence; to develop leadership qualities in students; and to encourage the diversity of students pursuing studies in the fields of occupational health and safety as exemplified by professionals who have worked in these fields throughout Michigan.
- C. PURPOSE:** To assist university and college students in obtaining a graduate or undergraduate degree in occupational health and safety field from a properly accredited institution with defined programs in occupational health and / or safety.

II. SCHOLARSHIP and EDUCATIONAL GRANT COMMITTEE

- A.** A Committee, composed of members of the Michigan Safety Conference, shall administer the Scholarship and Educational Grant Fund, including coordination with staff from the accredited institutions. The Committee will coordinate publicity, applications, and perform screening and evaluation of all applicants.
- B.** The President of the Michigan Safety Conference shall appoint the Chairperson and members of the Committee from the Executive Officers, Board of Directors and/or the Board Council. Selection is subject to approval by the Board of Directors.
- C.** There shall be a minimum of five (5) members, including the Chairperson, serving on the Scholarship and Educational Grant Committee.

III. FUNDING

- A.** The dollar amount for the academic scholarships and educational grants is to be approved each year by the General Committee, and this amount is to be designated for the Scholarship and Educational Grant Fund. The amount for each Educational Grant will be fixed and will be separate from the Academic Scholarship Fund.
- B.** The Awards shall be applied only to: laboratory fees, tuition, textbooks and other related fees associated with the student's educational expenses. These expenses will be reviewed, approved, and paid by the accredited institution and may be monitored by the Michigan Safety Conference Scholarship Committee. Accepting the funding implies accepting these conditions.
- C.** The Awards shall be made payable to the accredited institution and shall be placed in an escrow account with the accredited institution in the student's or department's name and is to be applied to approved educational expenses as outlined above.

- D.** The Committee will submit an annual proposal regarding the number, and dollar amount of the scholarships and grants for approval by the Michigan Safety Conference Executive Committee. Ultimately the number and amounts of the awards shall be competitively based and on the availability of funding from MSC.

IV. CRITERIA FOR SELECTION OF SCHOLARSHIP CANDIDATES

- A.** The candidate must be a US citizen or legal resident alien, a Michigan resident, and have at least one semester of study remaining before completion of their health and safety studies program.
- B.** The candidate must have at least sophomore academic standing (30 or more semester credit hours) with a 3.0/4.0 or higher overall GPA or a graduate student with an appropriate undergraduate degree, at least 10 graduate credits and grade point of 3.5/4.0 or higher in their graduate occupational health and safety coursework. The undergraduate grade point average must include all grades. Full transcripts from all institutions attended should be included with your submission. A letter from the candidate's advisor on university letterhead must confirm the students overall grade point average for all college credits.
- C.** The candidate must be a student accepted into an occupational health or safety curriculum at an accredited institution of higher learning in Michigan. A full-time undergraduate student must carry at least 12 credit hours per semester or 24 credit hours per year; a graduate student must carry at least 6 credit hours per semester or 12 credit hours per year. Priority will be given to full time students; however, scholarships may be available for part time students studying occupational health and safety. Part time undergraduate and graduate students must carry 6 and 3 credit per semester hours respectively and indicate the health and safety courses they are currently pursuing.
- D.** Students that have received prior MSC Scholarships may reapply if they have at least one more semester of study remaining.

V. CRITERIA FOR SELECTION OF EDUCATIONAL GRANT CANDIDATES

- A.** The candidate must be a US citizen or legal resident alien, a Michigan resident, and have at least one semester of study remaining before completion of their health and safety studies program AND be a person having origins in one of the minority groups recognized and defined by the US Department of Education. It will be the candidate's responsibility to provide to the Committee sufficient evidence and support of the candidate's claimed minority status. Minority Groups recognized by the US Department of Education are listed below:
1. American Indian or Alaskan Native. A person having origins in any of the original peoples of North America, and who maintains cultural identification through tribal affiliation or community recognition.
 2. Asian or Pacific Islander. A person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent, or Pacific Islands. This area includes, for example, China, India, Japan, Korea, the Philippine Islands, and Samoa.
 3. Black (Not of Hispanic Origin). A person having origins in any of the black racial groups of Africa.

4.Hispanic. A person of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race.

- B.** The candidate must have at least sophomore academic standing (30 or more semester credit hours) with a 2.0/4.0 or higher overall GPA or a graduate student with an appropriate undergraduate degree, at least 10 graduate credits and grade point of 3.0/4.0 or higher in their graduate occupational health and safety coursework. The undergraduate grade point average must include all grades. Full transcripts from all institutions attended should be included with the submission. A letter from the candidate's advisor on university letterhead must confirm the students overall grade point average for all college credits.
- C.** The candidate must be a student accepted into an occupational health or safety curriculum at an accredited institution of higher learning in Michigan. A full-time undergraduate student must carry at least 12 credit hours per semester or 24 credit hours per year; a graduate student must carry at least 6 credit hours per semester or 12 credit hours per year. Priority will be given to full time students; however, grants may be available for part time students studying occupational health and safety. Part time undergraduate and graduate students must carry 6 and 3 credit per semester hours respectively and indicate the health and safety courses they are currently pursuing.
- D.** Students that have received prior MSC Educational Grants may reapply if they have at least one more semester of study remaining before graduation.

VI. SELECTION OF RECIPIENTS

- A.** Applicants that meet the minimum requirements and submit a complete application by the appropriate deadline will be considered for selection by the Committee.
- B.** Submission of an application by a student does not assure or guarantee an award.
- C.** The Committee will consider and weigh all aspects of the applicant's submission.

VII. RECIPIENT'S OBLIGATIONS

- A.** If requested, the recipient may be assigned a mentor appointed by the MSC Scholarship and Educational Grant Committee.
- B.** The recipient should be reasonably available to the mentor. The mentor should contact the student(s) at least three times during the academic year to assess the student's status in the occupational health and/or safety program and to offer guidance and assistance.
- C.** During the funding period, the student should attempt to attend at least one planning meeting of the Michigan Safety Conference General Committee.
- D.** Each recipient should be prepared to attend the MSC June business meeting to be recognized and to briefly address the MSC General Committee.

VIII. PUBLICITY

Announcement of the Scholarship and Educational Grant Program will be communicated through various means. Examples include appropriate newsletters and journals, bulletins, news releases, direct contact with the educational institutions and the MSC Conference web site.

IX. SCHOLARSHIP and EDUCATIONAL GRANT TIMELINE

September – Educational institutions notified that scholarship and grant applications are available from the Michigan Safety Conference website.

-- September to December 31 - Application acceptance period. Electronic "on line" submissions are preferred.

-- December 31– Deadline (dated by the delivery method) for the submission of completed applications to the Michigan Safety Conference Scholarship and Educational Grant Committee. Applications received beyond the above stated deadline will not be considered.)

-- January – MSC Scholarship Committee reviews scholarship candidates.

-- March– Scholarship recipients notified and checks forwarded to the institutions with instructions for disbursement as soon as practicable following notification.

-- April – Scholarship and Grant certificates presented at MSC Presidents Reception of the Michigan Safety Conference General Committee.

X. LIABILITY

The Michigan Safety Conference shall be held harmless for any accident, illness or injury incurred while the student is under the limited scholarship funding.

MICHIGAN SAFETY CONFERENCE
MEMORIAL SCHOLARSHIP and MINORITY STUDENT EDUCATIONAL GRANT PROGRAM
APPLICATION

Date _____

Please indicate (check appropriate line) if you are applying for an Educational Grant or a Scholarship.

Educational Grant _____. I am claiming minority status as a _____ (fill in the blank) student. Be sure to provide appropriate proof of minority status with your application in a timely manner. Documentation received after the submission deadline will not be considered.

Academic Scholarship _____.

Overall Grade Point Average (GPA) for all college courses: _____.

(include all colleges and universities attended) *See IV. B and V. B*

Name _____

*Address _____ City _____ Zip _____

Phone (Home) _____ (Work) _____ E-mail _____

**Please use an address that is viable through next June.*

Institution now attending: _____

Major and minor: _____

Other colleges and universities attended and dates of attendance: _____

Major and minor: _____

Anticipated date of graduation from current institution: _____

Please provide three letters of recommendation: One must be from a university/college professor or advisor.

Examples of others are as follows:

1. Individuals or leaders from health, safety or environmental organizations, i.e. ASSE, AIHA or CHMM;

Include an official college or university transcript from ALL colleges and universities attended with your application. (See IV and V) A personal interview may be requested. Applications and transcripts are due to the MSC by the close of business for November 1. Applications and/or transcripts received after November 1st will not be considered.

APPLICANT'S SUBMISSIONS

On separate sheets for each question, please answer all five of the following questions:

1. Please describe the person, event(s) or other factors that convinced you to pursue occupational and environmental health and safety as your personal career choice.
2. Is it important for an occupational and environmental health and safety professional to have clear and well defined personal and professional ethics? Please provide examples and clearly explain your thoughts.
3. What do you expect to be doing and where do you expect to be five years following graduation from your institution? Please describe your post college/university studies five year plan.
4. Please select one of the two scenarios (a, or b) shown below and provide your response:

4. a: You are a recent university graduate with approximately 3 months of occupational health and safety(OSH) experience at XYZ Company. You replaced the Company's last OSH manager following his retirement. While walking through the plant you observe a 30 year veteran skilled trade's millwright climbing to the 5 foot level of a power press to perform an imminently needed maintenance task while not utilizing fall protection. Describe what you would do to eliminate the hazard in this situation.

4. b: As the Company's new industrial hygienist you have been asked to evaluate an employee's exposure to a chemical hazard. The allowable occupational exposure level for the chemical hazard is 50 ppm. You collected four equal length breathing zone air samples comprising the full daily shift of the worker. Results are as follows: 30ppm, 42ppm, 43ppm, and 46ppm. Please describe and explain your conclusions regarding this exposure (for example "in compliance or out of compliance" or insufficient data to make a conclusion, and why you have reached this conclusion) and the guidance you would provide to your new employer.

5. Please fully describe an example(s) of volunteer service that you have provided to your community, your school, your church, or other institution or organization. Please be sure to describe the primary benefactors from this kind of service?

Please attach all question responses to your submission. Your response to each question must be at least 300 words, but no more than 500 words.

Scholarship and grant recipients will usually be notified by March 1. Presentation of certificates will be made at the MSC President's Reception in April. Scholarship and Grant recipients should make every effort to attend the scholarship and grant presentation ceremony.

SEND COMPLETED FORM TO: **MICHIGAN SAFETY CONFERENCE**
SCHOLARSHIP and EDUCATIONAL GRANT COMMITTEE
1895 Ridgewood Drive
East Lansing, MI 48823, or
denise@michsafetyconference.org

With the exception of official transcripts, the applicant may make all submission electronically (on line). Official electronic transcripts will be accepted only from the institution. "Hard copy" applications may continue to be made as a single package or individually by the institution.
